

NCUA CUSO Registry Quick Start Guide

Change Your Password

Last Updated: 24-January-17

About Changing Your Password

Through an account's properties and settings, any user can change their CUSO Registry account password.

Step 1: Administer Account

To begin, log in to your CUSO account.

- 1. Open a Web browser and navigate to the CUSO Registry.
- 2. Log in to your CUSO account.

Do you have a user account?

Yes, I have a user account.
